If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, please contactdataprotection@englandathletics.org. If you do not tick the box below and then decide to compete for the club, we will need to register you with England Athletics and we will inform you at that time.

So that England Athletics can confirm with the athlete that their data is correct and so they can set their privacy settings, we will need to have a valid email address for each member. By default, all athletes will be opted out of communications from England Athletics until they have accessed their myPortal account and chosen to opt in."
